CONVERSATION IDEA SUBMISSION FORM

Thank you for submitting an idea for consideration for Friday Night Conversations! Please note that this is an opportunity to create networking themes and casual programming that will encourage dialogue and community growth and involvement. Ideas such as Themed Mixers, Panel Discussions, Gallery Walks, Informational Presentations, and Workshops on useful topics such as “How to Create a Portfolio to Submit to Art Shows” or “How to Prepare for a Studio Recording” are what Friday Nights are all about. This is part of the Programming Department and not related to Curatorial (exhibition of work) or Retail (selling items), please keep parameters in mind when submitting ideas. It’s a conversation, after all, where participation is key! Something that would be useful and interesting to a variety of guests in each of the following categories:

Theater Jewelry Design Poetry Music 2D & 3D Art Dance Film

Please fill out the form below and mail to “Friday Night Conversations,” Grand Rapids Art Museum, 101 Monroe Center NW, Grand Rapids, MI 49503, fax to “Friday Night Conversations” at 616-831-1001 or attach a signed pdf and e-mail to pr@artmuseumgr.org.

If your suggestion is considered, you’ll be contacted for further discussions. Resources, location availability, time constraints, special events, regular programming and other factors may inhibit the ability to organize ideas as suggested. Please understand that GRAM may not be able to respond to every suggestion and some suggestions may be similar to others already submitted.

THANKS FOR SHARING YOUR CONVERSATION IDEAS!
